Data Protection - The Welsh Railways Research Circle (WRRC) uses membermojo to store and handle your personal information in compliance with the General Data Protection Regulation (GDPR). Membermojo is the data controller in respect of your personal information. The WRRC Membership Secretary is the custodian of this personal data within the organisation.

Limited personal details – the interests advised to the Circle on the application form (or subsequently updated) and a general location (e.g. a county) – are normally published in the Newsletter so that, for example, those with similar interests can make contact with each other via the Membership Secretary. This data, and your full postal address, may also be visible to an external printer or distributor acting as the Circle's agent. If you do not want your limited personal details published in the Newsletter, please indicate on the Membership, Renewal and Payment Form.

Your Membership Option and Personal Data Changes - Please use the **Membership, Renewal and Payment Form** to advise us of your preferred publication delivery method and any changes to your personal data e.g. your contact details such as Postal or Email Address. This form is available from the 'Joining the WRRC' page of the Circle website (<https://wrrc.org.uk/membership.php>), or from our Membership Secretary (addresses below).

PLEASE RENEW PROMPTLY - Delayed payments create additional costs to the Circle with reminder letters and additional postage. You also miss out since those renewing late will not be sent outstanding items until the next mailshot. **NB:** If you do not wish to renew your membership, please drop the Membership Secretary an e-mail or note (see below), preferably telling us why you are leaving, as this will help the Circle improve its services to Members.

The Circle is constantly seeking to improve and expand its services so they are more closely aligned with Members' interests. So please don't forget to let us know if your interests have changed or you wish to update them, or contact us if you have other requests or ideas for the Circle.
